Council Studies Ordinance for Zoning Village

Proposal Made at Meeting Is Held Over for Further Consideration

The possibility of zoning Antioch into business, commercial and residential sections was taken under advisement at a meeting of the village council last Thursday evening and will be taken up for consideration again at a later meeting.

Several of the unpaved streets in the village will be oiled as soon as Street Superintendent William Thiemann can begin this work, it was announced.

The streets to be oiled include First, Bishop, Chestnut, Cemetery road and the street between the village parking lot and the park, as well as the village parking lot itself.

Lester Bell has been assisting with the village work, and will continue to do so through the summer.

Re-Paint Parking Markers
Work of re-painting parking markers on the streets in the main business section was begun Tuesday morning.

The audit on the special assessment list has been completed and a report will be presented in the near future, it was announced at the council meeting, which was postponed from its regular date on the first Tuesday of the month because of the July 4th activities.

Harvesting of Grass, Legume Seed Is Urged

Farmers in Lake county can earn additional AAA 1944 production payments by harvesting more acres of legume and grass seed.

Unless everything possible is done to increase the harvest of legume and grass seeds this year, the available supply will fall short of requirements. To encourage the performance of this practice, Congress has recently provided \$12,500,000 additional funds as a part of the "Conservation and Use" appropriation for the 1945 fiscal year.

C. A. Faulkner, chairman of the Lake county AAA, explained that these funds will be used to encourage the harvesting of legume and grass seeds in two ways. First, the acreage and allowance limitations heretofore applicable to this practice have been removed. A producer may earn \$3.50 per acre for each acre of alfalfa, red clover, alsike, white clover, orchard grass, bromegrass, sweet clover and lespedza that he harvests. The unlimited payment for that practice will be in addition to the farm allowance.

Harvesting of grass and legume seeds will be classified with the unlimited practices of strip-cropping, contouring and intertilled crops. The second means of encouraging the practice is a poundage payment of 3 1/2 cents for red clover seed, 2 1/2 cents for alsike and alfalfa seeds. Payments will be made for the actual amount of clean seed obtained from the 1944 harvest.

To be eligible for poundage payments the producer must clean all seed harvested. Payments will be made on the basis of clean seed sold or to be sold to dealers after such seed has been tested and certified. Seed retained for the producer's own use must be cleaned to be eligible for poundage payments. Poundage payments thus earned are also in addition to the farm allowance.

Edwin Kilgren, Long Ill, Dies at Co. Sanatorium

Edwin Kilgren, 36, brother of the Rev. Verner Kilgren, Ingleside, died Sunday in the Lake County Tuberculosis sanatorium. Funeral services were held Tuesday afternoon at 2 o'clock in the Sherman Methodist church of Cadillac, Mich., with the Rev. Shotwell in charge and burial in Maple Hill cemetery there.

Kilgren, who was a toolmaker by trade, had been ill for some time. He was born in Cadillac, Oct. 10, 1907, and was the son of Oscar and Anne Kilgren. Survivors include his wife, Ethel, and daughter, Colleen; three brothers and four sisters, all of whom, with the exception of Rev. Kilgren, are residents of Michigan.

Henry Zach, who has been in Victory Memorial hospital since Wednesday afternoon of last week recovering from injuries suffered in a 30-foot fall from a haymow at the Henry Herman farm, is convalescing as favorably as can be expected. He suffered a compound fracture of one leg and injuries to the ankle of the other leg.

"Circus" Will Be Held Friday at Grade School

Complete even to side shows, clowns, rides, a merry-go-round—and lemonade—is the circus to be held at Antioch Grade school Friday evening from 7-9 p. m., under the auspices of the Recreation association.

Children who are taking part in the summer recreation activities will present the acts, conduct the side-shows and games and have charge of the various other attractions.

A nominal admission charge will be made, proceeds of which will be used for recreation activities.

Prizes for the Pet show last Friday went to Darryl Ostrander, Dick Radtke, Alta Campbell, George Nelson, Mary Rose Webb, Lorraine Steinel, David Petty, Lauris Burdick, Charlene Nelson, Joanne Osmond, Vernon Burdick, Eugene Baethke.

The prizes were "points." These accumulate throughout the summer. At the end of the year at the closing picnic on August 13 awards will be given to those having the most points.

Dick Radtke is chairman for the circus, with Ronnie Vos assisting him.

News of the Boys in Service

S/Sgt. Harold G. Arnold, son of Mr. and Mrs. R. A. Arnold, Petite Lake, is awaiting re-assignment to duty at Army Air Forces Redistribution Station No. 2, Miami Beach, Fla., where he has been spending a two-week processing and rest period.

His new station may possibly be in Michigan, he writes.

Sgt. Arnold, a P-38 mechanic who served 23 months in England, Africa, Sicily and Italy, spent a three-week furlough here recently. He entered the service Dec. 29, 1939.

Cpl. Joe Rausch's new APO number is 887, New York.

Pvt. Thomas W. Brett, son of Mrs. Hannah Brett, Channel Lake, is now on the San Francisco APO list.

Cpl. Robert Strang is now serving with the invasion forces in France, according to word received this week.

T/5 George Adamek may be reached through APO 750, New York.

CLARENCE GALIGER, BRIDE

VISIT IN LAKE VILLA

Clarence E. Galiger, a flight instructor in the U. S. Army reserve, and his bride, the former Miss Rebecca Rice, with whom he was united in marriage June 28 at El Reno, Okla., have been visiting the bridegroom's parents, Mr. and Mrs. Bert J. Galiger, in Lake Villa.

The bride is a graduate of the University of Oklahoma. The bridegroom was graduated from Antioch Township High school and Parks Air college, East St. Louis, Mo. He is stationed at Mustang field, El Reno.

Lt. Shirley Hollenbeck Murphy may be reached via New York APO 122.

M/SGT. ALLEN G. ANDERSON

TAKES PART IN "SHUTTLE MISSION" TO RUSSIA

Master Sergeant Allen G. Anderson, 32, of Grass Lake, was a participant in the first American shuttle mission to Russia, according to a news release received from the 15th AAF in Italy.

Sgt. Anderson, an engineer on an AAF B-17 Flying Fortress, has seen service in Africa and Italy, and has completed four combat missions in the Mediterranean theater.

The son of the late Mr. and Mrs. George D. Anderson, he attended Waukegan Township High school.

(Ed. Note: He also, for a time, was receiving S/Sgt. Charles L. Anderson's copy of the Antioch News, due to a slight confusion in the arrangement of Andersons on the service men's mailing list. However, Sgt. Anderson (C. L.) who recently returned home on furlough from England after service aboard a bomber as radio operator, said he didn't mind—but he had been a little worried over whether or not Sgt. Anderson (A. G.) had been missing out on his paper—he had been getting Sgt. A. G.'s copy.)

The official 15th AAF account of the shuttle mission is as follows: 15th AAF in Italy—A task force of flying and ground personnel from the 15th Air Force recently returned from a ten day stay at an American base in Russia. The historic visit of the American airmen marks the first shuttle mission to the Soviet.

Leaving their Italian bases on June 2, the B-17 Flying Fortresses attacked a railroad yard and junction at Debreczen, Hungary, and then continued on to an undisclosed location.

LEGION FESTIVAL OPENS TODAY

High School to Adopt 8-Period Day for 1944-5

Change Is Made Necessary by New Physical Education Requirements

Antioch Township High school will operate on an eight-period day instead of a six-period day, as formerly, this coming year, it was announced this week by T. R. Birkhead.

The change in schedule was found advisable, Principal Birkhead explained, in order to allow for the 200 minutes of physical education required weekly under a newly enacted school law.

Under the previous set-up of six 55-minute periods per day, a student who was taking the regular four subjects, or perhaps an additional subject, might have only one period a week free for study or library research. With the change-over to a 40-minute period, eight-period day, allowance could be made for additional time in the library or in study.

The only practicable alternative to the change-over would have been to lengthen the school day, the principal observed, and this was considered inadvisable.

Seek Commercial teacher
Miss Clara Weber of Highland, Ill., has been engaged as English teacher and librarian and Miss Imona Welker of Henry, Ill., as English and history teacher. A commercial teacher is still needed to replace Miss Mildred Krusa.

Re-decoration work in school was commenced last week, under the charge of Nelson and Drury. The re-finishing of floors, repair of seats and similar work is being carried on by the school custodians, John Harms and Clarence Cunningham.

Cornelia Roberts Accepts Teaching Position in Turkey

Miss Cornelia Roberts, who has been teaching at Moulton college, Toronto, Canada, for the past five years, has accepted a three-year contract to teach English in the Istanbul, Turkey, Woman's college.

She plans to leave some time in August to enter on her new position under the auspices of the Near East College association, which has headquarters in Rockefeller Center, New York.

Istanbul Woman's college is an endowed American institution.

Miss Roberts is spending her summer vacation with her parents, Mr. and Mrs. Herbert S. Roberts, at Merry Glenn, Lake Marie.

Retired Chicagoan Dies Suddenly at Fox Lake

Funeral services were held in Chicago for Walter Hermanowski, 71, retired Chicago factory watchman who died suddenly Sunday morning at the home of his son-in-law and daughter, Mr. and Mrs. Joseph Marshall, Fox Lake.

Hermanowski had arisen at 6:30 o'clock that morning, but complained of pains in his chest and returned to bed.

When his wife tried to arouse him at 9 o'clock she found that he was dead.

City Briefs

Alonso Runyard is a patient at Burlington, Wis., Memorial hospital.

Mr. and Mrs. Harry Kihlstrom and daughter, Linda, Gowanda, N. Y., are spending this week with Mrs. Kihlstrom's parents, Mr. and Mrs. S. J. Handley, North Main street. The Handleys also have as their guest their granddaughter, Martha Handley, Chicago.

Mrs. Ada Verrier, Waukegan, who spent last week with her sister, Mrs. Clara Westlake, is the guest of Mrs. Bert Bown at Lake Marie this week. She will return to Mrs. Westlake's Saturday.

Mrs. Clara Willett had as guests during the week-end Mr. and Mrs. W. Baxter of Downers Grove. Mrs. Baxter is Mrs. Willett's sister.

Changes in Antioch Township Assessment Printed This Week

The assessment roll for the Town of Antioch, as fixed by the assessor, appears on page three of this issue of the Antioch News.

This list includes the personal property tax complete and the changes in real estate made since the last published valuation. The complete assessment roll for Antioch township is published quadrennially. The complete roll was published last year. This year's list includes only those properties on which changes were made.

Any property owner who objects to the amount of his valuation may file a formal complaint with the Board of Review within 10 days from the date of publication of this assessment roll, it is announced by County Treasurer Gustaf H. Fredbeck.

Lt. E. R. Burleigh, U. S. Marine Corps, Killed in Action

The many Antioch friends of the Robert—Burleigh—family, Ingleside, were shocked to learn early this week of the reported death of First Lieutenant Edward R. Burleigh, U. S. Marine corps reserve, in action in the South Pacific.

Lt. Burleigh, who was 23, was a participant in the battle of Tarawa, after which he was sent to Hawaii for rest, later returning to active duty.

His father, who is fire chief at Fox Lake, has been a frequent visitor to Antioch, and Lt. Burleigh was also well known here.

In a letter written to his parents May 31, Lt. Burleigh observed, "I'm certain that I'll get off the ship this time, as we are with the assault regiment, and no doubt will get there in the thick of it."

He was a graduate of Grant Community High school and Marquette university, where he majored in chemistry, and was in the employ of Johns-Manville company prior to enlisting two years ago.

A sister, Mrs. Margaret Scheune-man, lives at Fox Lake. His maternal grandfather, Henry Purvey, is a resident of Crystal Lake and his paternal grandparents, Mr. and Mrs. Charles Burleigh, live in Woodstock.

Firemen, Rescue Squad Guests at Pregrezer's

Thirty-two members of the Antioch fire department and Rescue squad were guests at a sauerkraut and spareribs supper Tuesday evening at the Pregrezer resort, Grass Lake.

The supper was given by Mr. and Mrs. Ray Pregrezer and their son-in-law and daughter, Mr. and Mrs. Louis Pichen, in appreciation for the work of the firemen and first aid men in extinguishing a fire which badly damaged the hotel building at the resort June 12 and endeavoring to save an employee there who had been overcome by smoke.

Rescue Squad to Sponsor Benefit Dance August 17

Each summer the Antioch Rescue squad has followed the custom of sponsoring a large public dance, proceeds of which are used for meeting the squad's operational expenses.

This year, the organization has announced Thursday evening, Aug. 17, as the date for the event.

The dance will be held in the Channel Lake pavilion, which was also the scene of last year's dance.

Veteran Butcher Loses Finger of Left Hand

Otto Dolar, of the Antioch Packing House's downtown market, had the misfortune to sever the middle finger of his left hand near the second joint while cutting meat at the market Wednesday afternoon. He was given first aid treatment by the Rescue squad and taken to a physician, where it was discovered that the finger could not be saved and it was found necessary to finish the almost complete amputation.

"It's the first time I've cut myself in all the years I've been working," was the observation made by the veteran butcher. A frozen spot in the meat which deflected the blade as he was cutting some spareribs is believed to have caused the accident.

C. J. Roeselein is assisting in the store during his absence today.

Millburn Church Plans Homecoming Sunday, July 30

All-Day Observance of 105-Year-Old Parish to Feature Services, Dinner

Members of the Millburn Congregational church, which celebrated its centennial anniversary in 1940, are continuing plans for a "homecoming" observance on Sunday, July 30.

In addition to special services, there will be a pot luck dinner at noon.

The afternoon is to be devoted to the renewing of old acquaintanceships.

A display of historical records, articles and pictures connected with the church will be a feature of the "homecoming," the Rev. L. H. Messersmith, pastor, announces.

Many Visitors Expected

The present church building was moved from Oak Park, Ill., where it had previously served the Third Congregational parish, in 1936 to replace the earlier Millburn church building destroyed by fire in 1935.

Many former residents of the community are planning to return for the homecoming. Among those who are expected to be present is the Rev. Norman Rice, pastor from 1923-25.

Mrs. Emma White, Russell, Follows Husband in Death

Former Bristol Woman Succumbs to Brief Illness 4 Mos. after Mate Dies

A large gathering of relatives and friends paid final respects to Mrs. Emma White at funeral services held in the old White family homestead on State Line road, Bristol township, Kenosha county, Monday afternoon at 2 o'clock.

The Rev. Fred E. Frankson, D. D., pastor of the First Methodist church of Kenosha, officiated. Burial was in Union cemetery at Hickory.

Mrs. White, who had been ill for a short time, died Saturday morning at the home of a daughter, Mrs. William Murrie, Russell. She was preceded in death by her husband, John White, who died Feb. 27, also at the Murrie home in Russell. A daughter, Thelma, passed away in 1924.

Had Seven Children

In addition to Mrs. Murrie, survivors include three other daughters, Mrs. Mildred Munro and Mrs. Hazel Ryan, Chicago, and Mrs. Agnes Dible, Kenosha; three sons, Clarence J., of Tempe, Ariz., who was here for the funeral services; William, residing on the homestead, and Hubert, of Russell.

There are 14 grandchildren, including Corp. John White, U. S. Marine corps, who arrived home July 6 after 20 months of service in the southwest Pacific area, including Guadalcanal, and will be here until Aug. 1.

Two sisters survive, Mrs. Ida King, of Chicago and Mrs. Gus Lantz, Woodworth, Wis.

She was born in Racine county, Wis., May 16, 1876, and was the daughter of the late Mr. and Mrs. Hans Johnson.

On May 16, 1895, she was united in marriage with John White of Newport township, Lake county, and they moved to the farm on State Line road where they spent most of their lives.

Bond Purchases Are Continued to July 31

The Fifth War Bond campaign for purchases of E, F, G, and C bonds has been extended until July 31, it was announced this week by Township Bond Drive Chairman Otto S. Klass.

"I am confident that Antioch's quota of \$89,600.00 has already been met and exceeded," said Chairman Klass. "I believe purchases in this township at the present time are already 'over the top,' and amount to nearly \$91,000."

"However, we would like to make as good a showing as possible, and hope that all who can do so purchase bonds before the end of the month, so that they may be credited to Antioch's quota."

A grass fire at Lake Shangri-La brought a call for the Antioch fire department Tuesday afternoon at 4:45 p. m. There was no damage. Fire Chief L. R. Van Patten stated.

Big Four-Day Fete Gets Off To Fine Start

Rides, Free Dancing Special Features Provide Fun at Festival

Supplemented by fine weather and ample parking space, the varied program of attractions featured by the Antioch American Legion post's annual carnival is expected to be off to a "flying start" this evening.

Workmen have been busy since earlier in the week setting up the rides, a floor for free outdoor dancing, booths for special entertainment and refreshments and other facilities on the grounds just west of the village park at Orchard and Main streets.

All indications were that a large crowd, including many summer residents and out-of-town visitors, might be expected this evening. Good attendances are also anticipated on Friday, Saturday and Sunday.

Look for "Surprise Features"

Rumors that members of the Antioch Rescue squad might challenge the fire department to a water fight as a highlight of the carnival sometime during the week-end were adding zest today to plans for the affair. Other surprise features may also provide highlights for the program.

Proceeds of the annual festival are used by the Legion and Auxiliary for their welfare and social service work on behalf of servicemen, hospitalized or invalided veterans and their families, and for the Legion's post-war building fund, which is being invested in war bonds for the duration.

Members of the auxiliary, the Sons of the Legion and townspeople are assisting the committees in charge of the festival.

The Rescue squad will "stand by" to give emergency first aid.

A parking detail has been set up to direct traffic in the parking grounds adjoining the carnival.

Reception Honors Pastor of Salem Church and Bride

The Rev. Stanford Strosahl, pastor of the Salem and Wilmet Methodist churches, and his bride, the former Miss Phyllis Hinke of Stanley, Wis., were honored at a reception held in the Salem church parlors Sunday evening with 100 parish members and friends attending.

Rev. and Mrs. Strosahl returned from their honeymoon trip Friday evening. They will make their home in Salem for the summer. In the fall Rev. Strosahl will continue his studies at Garrett Biblical Institute, Evanston, which he attended for the past two years.

A mock wedding skit originally written by Olive M. Hope when she was worthy matron of the Bristol Eastern Star chapter was presented in revised version on this occasion.

Miss Hope acted as reader. A choir of 20 young people and Miss Ethel Gitzlaff, organist, presented special musical numbers.

The cast included the following: Ruth Feldkamp, sexton; Mary Baysinger, Marjorie Stoxen, ushers; Mrs. Forest Faivre, the wealthy uncle; George Beimer, Fred Stephens, former "girl friends" of the bridegroom; Leah Krahn, Florence Richards, Eleanor Imrie, former "boy friends" of the bride.

Mrs. George Beimer, bridegroom's father; Ernie Wiedman, bride's mother; Mrs. John Evans, preacher; Mrs. J. O. Boughton, bridegroom; Mrs. P. N. Sandin, best man; J. O. Boughton, Milward Bloss, flower girls; Elmer Barthel, ring bearer; Fred Baysinger, Lester Dix, bridesmaids; Arthur Cook, maid of honor; G. J. Nelson, bride; Mrs. H. W. Schultz, bride's father.

A message from Rev. Strosahl's mother, Mrs. John Strosahl of Central City, Ia., was read by Arthur Cook.

A gift was presented to the Strosahls and a "sweet course" served. An hour of community singing concluded the evening.

A grass fire at Lake Shangri-La brought a call for the Antioch fire department Tuesday afternoon at 4:45 p. m. There was no damage. Fire Chief L. R. Van Patten stated.

U. S. Marines Wed New Zealanders

Requests Pour in Despite Many Obstacles.

WELLINGTON, N. Z.—Marriages of men of the United States marine corps now exceed 300 since the first outfits moved into the South Pacific region a little more than a year ago.

Despite the difficulties, pointed out to prospective brides, attendant on becoming the wife of an American while abroad, and despite the fact that the men have been warned of the necessity of making their own provision for the transportation of their wives to the United States, the applications for permission to marry continue.

Marine corps chiefs could scarcely have been more careful in their approach to the problem of war marriages. From the beginning, it was decided that marines might marry only if they obtained permission from their commanding officers in the area. Before this was granted, a careful investigation of both parties was undertaken. Their health, background, education, employment and future plans were investigated, and officers even visited girls' homes to check on their circumstances and origin.

A marine must reveal his financial standing, also his prospects of getting work after the war. Then the officers go to work to discover what prospect the pair have of making the marriage stick. In this process the situation is represented in most discouraging terms to both parties. But if they persist in their desire to marry and seem likely to have ordinary chances of success, permission is granted.

While most marine bridegrooms are in their early twenties and the girls are rather younger, the boys come from all social strata and are by no means all new to the service.

Plane Spotter, Totally

Blind, Never Misses One

PARADISE, CALIF.—Although he is totally blind, Joseph E. Stephens has stood a weekly aircraft spotter's watch without missing a single assignment in 16 months.

Stephens, who lost his sight when a horse fell on him in 1906, stands watch from 7 p. m. to 7 a. m. once a week and reports every plane "sounded" within four miles of the aircraft warning post.

He is accompanied by another observer and his nine-year-old Seeing Eye dog, Armin.

Butte county has two other blind ground observers in the aircraft warning service. They are Mr. and Mrs. Morris Schurr of Oroville. In daytime Stephens is a farmer and Schurr operates a newsstand in the Oroville post office.

Stonewall Jackson Kept

A Secret, So Does Hull

MOSCOW.—Gen. Stonewall Jackson stopped a second front question for Secretary of State Cordell Hull.

When newspaper men asked a military question that Mr. Hull wished to avoid, the secretary smiled and told of General Jackson's entrance into Charlottesville, Va., ahead of his troops during the United States Civil war. A curious Charlottesville resident approached and asked the general what his visit meant in terms of future events.

"Can you keep a secret?" asked General Jackson.

"Yes," replied the man.

"Well, so can I," General Jackson retorted.

Leading Exports

With its large proportion of fertile soil and open country, Bulgaria's leading exports are from farms, and normally include tobacco, fruit, sugar, raw silk, rose oil, wheat and other cereals, and animal products. Germany, in 1940, took nearly 60 per cent of the nation's exports and was the source of about 70 per cent of the imports. The entire 1941 tobacco crop was bought in advance by the Reich, which is also reported active in the development of Bulgaria's mineral resources, especially copper, lead and zinc.

What Bond Can Buy

For \$18.75, invested in a \$25 War Bond, the army can buy a cotton mattress, a cotton-filled comforter, two sheets, a mosquito bar, four pairs of tan cotton socks and one summer undershirt.

Council Studies Ordinance for Zoning Village

Proposal Made at Meeting Is Held Over for Further Consideration

The possibility of zoning Antioch into business, commercial and residential sections was taken under advisement at a meeting of the village council last Thursday evening and will be taken up for consideration again at a later meeting.

Several of the unpaved streets in the village will be oiled as soon as Street Superintendent William Thiemann can begin this work, it was announced.

The streets to be oiled include First, Bishop, Chestnut, Cemetery road and the street between the village parking lot and the park, as well as the village parking lot itself. Lester Bell has been assisting with the village work, and will continue to do so through the summer.

Re-Paint Parking Markers
Work of re-painting parking markers on the streets in the main business section was begun Tuesday morning.

The audit on the special assessment list has been completed and a report will be presented in the near future, it was announced at the council meeting, which was postponed from its regular date on the first Tuesday of the month because of the July 4th activities.

Harvesting of Grass, Legume Seed Is Urged

Farmers in Lake county can earn additional AAA 1944 production payments by harvesting more acres of legume and grass seed.

Unless everything possible is done to increase the harvest of legume and grass seeds this year, the available supply will fall short of requirements. To encourage the performance of this practice, Congress has recently provided \$12,500,000 additional funds as a part of the "Conservation and Use" appropriation for the 1945 fiscal year.

C. A. Faulkner, chairman of the Lake county AAA, explained that these funds will be used to encourage the harvesting of legume and grass seeds in two ways. First, the acreage and allowance limitations heretofore applicable to this practice have been removed. A producer may earn \$3.50 per acre for each acre of alfalfa, red clover, alsike, white clover, orchard grass, bromegrass, sweet clover and lespedza that he harvests. The unlimited payment for that practice will be in addition to the farm allowance.

Harvesting of grass and legume seeds will be classified with the unlimited practices of strip-cropping, contouring and intertilled crops. The second means of encouraging the practice is a poundage payment of 3½ cents for red clover seed, 2½ cents for alsike and alfalfa seeds. Payments will be made for the actual amount of clean seed obtained from the 1944 harvest.

To be eligible for poundage payments the producer must clean all seed harvested. Payments will be made on the basis of clean seed sold or to be sold to dealers after such seed has been tested and certified. Seed retained for the producer's own use must be cleaned to be eligible for poundage payments. Poundage payments thus earned are also in addition to the farm allowance.

Edwin Kilgren, Long Ill, Dies at Co. Sanatorium

Edwin Kilgren, 36, brother of the Rev. Verner Kilgren, Ingleside, died Sunday in the Lake County Tuberculosis sanatorium. Funeral services were held Tuesday afternoon at 2 o'clock in the Sherman Methodist church of Cadillac, Mich., with the Rev. Shotwell in charge and burial in Maple Hill cemetery there.

Kilgren, who was a toolmaker by trade, had been ill for some time.

He was born in Cadillac, Oct. 10, 1907, and was the son of Oscar and Anne Kilgren. Survivors include his wife, Ethel, and daughter, Colleen; three brothers and four sisters, all of whom, with the exception of Rev. Kilgren, are residents of Michigan.

Henry Zach, who has been in Victory Memorial hospital since Wednesday afternoon of last week recovering from injuries suffered in a 30-foot fall from a hayrack at the Henry Herman farm, is convalescing as favorably as can be expected. He suffered a compound fracture of one leg and injuries to the ankle of the other leg.

"Circus" Will Be Held Friday at Grade School

Complete even to side shows, clowns, rides, a merry-go-round and lemonade—is the circus to be held at Antioch Grade school Friday evening from 7-9 p. m., under the auspices of the Recreation association.

Children who are taking part in the summer recreation activities will present the acts, conduct the side-shows and games and have charge of the various other attractions.

A nominal admission charge will be made, proceeds of which will be used for recreation activities.

Prizes for the Pet show last Friday went to Darryl Ostrander, Dick Radtke, Alta Campbell, George Nelson, Mary Rose Webb, Lorraine Steinel, David Petty, Lauris Burdick, Charlene Nelson, Joanne Osmond, Vernon Burdick, Eugene Baethke.

The prizes were "points." These accumulate throughout the summer. At the end of the year at the closing picnic on August 13 awards will be given to those having the most points. Dick Radtke is chairman for the circus, with Ronnie Vos assisting him.

News of the Boys in Service

S/Sgt. Harold G. Arnold, son of Mr. and Mrs. R. A. Arnold, Petite Lake, is awaiting re-assignment to duty at Army Air Forces Redistribution Station No. 2, Miami Beach, Fla., where he has been spending a two-week processing and rest period.

His new station may possibly be in Michigan, he writes.

Sgt. Arnold, a P-38 mechanic who served 23 months in England, Africa, Sicily and Italy, spent a three-week furlough here recently. He entered the service Dec. 29, 1939.

Cpl. Joe Rausch's new APO number is 887, New York.

Pvt. Thomas W. Brett, son of Mrs. Hannah Brett, Channel Lake, is now on the San Francisco APO list.

Cpl. Robert Strang is now serving with the invasion forces in France, according to word received this week.

T/5 George Adamek may be reached through APO 750, New York.

CLARENCE GALIGER, BRIDE VISIT IN LAKE VILLA

Clarence E. Galiger, a flight instructor in the U. S. Army reserve, and his bride, the former Miss Rebecca Rice, with whom he was united in marriage June 28 at El Reno, Okla., have been visiting the bridegroom's parents, Mr. and Mrs. Bert J. Galiger, in Lake Villa.

The bride is a graduate of the University of Oklahoma. The bridegroom was graduated from Antioch Township High school and Parks Air college, East St. Louis, Mo. He is stationed at Mustang field, El Reno.

Lt. Shirley Hollenbeck Murphy may be reached via New York APO 122.

M/SGT. ALLEN G. ANDERSON TAKES PART IN "SHUTTLE MISSION" TO RUSSIA

Master Sergeant Allen G. Anderson, 32, of Grass Lake, was a participant in the first American shuttle mission to Russia, according to a news release received from the 15th AAF in Italy.

Sgt. Anderson, an engineer on an AAF B-17 Flying Fortress, has seen service in Africa and Italy, and has completed four combat missions in the Mediterranean theater.

The son of the late Mr. and Mrs. George D. Anderson, he attended Waukegan Township High school.

(Ed. Note: He also, for a time, was receiving S/Sgt. Charles L. Anderson's copy of the Antioch News, due to a slight confusion in the arrangement of Andersons on the service men's mailing list. However, Sgt. Anderson (C. L.) who recently returned home on furlough from England after service aboard a bomber as radio operator, said he didn't mind—but he had been a little worried over whether or not Sgt. Anderson (A. G.) had been missing out on his paper—he had been getting Sgt. A. G.'s copy.)

The official 15th AAF account of the shuttle mission is as follows:

15th AAF in Italy—A task force of flying and ground personnel from the 15th Air Force recently returned from a ten day stay at an American base in Russia. The historic visit of the American airmen marks the first shuttle mission to the Soviet.

Leaving their Italian bases on June 2, the B-17 Flying Fortresses attacked a railroad yard and junction at Debreczen, Hungary, and then continued on to an undisclosed location.

LEGION FESTIVAL OPENS TODAY

High School to Adopt 8-Period Day for 1944-5

Change Is Made Necessary by New Physical Education Requirements

Antioch Township High school will operate on an eight-period day instead of a six-period day, as formerly, this coming year, it was announced this week by T. R. Birkhead.

The change in schedule was found advisable, Principal Birkhead explained, in order to allow for the 200 minutes of physical education required weekly under a newly enacted school law.

Under the previous set-up of six 55-minute periods per day, a student who was taking the regular four subjects, or perhaps an additional subject, might have only one period a week free for study or library research. With the change-over to a 40-minute period, eight-period day, allowance could be made for additional time in the library or in study.

The only practicable alternative to the change-over would have been to lengthen the school day, the principal observed, and this was considered inadvisable.

Seek Commercial teacher
Miss Clara Weber of Highland, Ill., has been engaged as English teacher and librarian and Miss Imona Welker of Henry, Ill., as English and history teacher. A commercial teacher is still needed to replace Miss Mildred Krusa.

Re-decoration work in school was commenced last week, under the charge of Nelson and Drury. The re-finishing of floors, repair of seats and similar work is being carried on by the school custodians, John Harris and Clarence Cunningham.

Cornelia Roberts Accepts Teaching Position in Turkey

Miss Cornelia Roberts, who has been teaching at Moulton college, Toronto, Canada, for the past five years, has accepted a three-year contract to teach English in the Istanbul, Turkey, Woman's college.

She plans to leave some time in August to enter on her new position under the auspices of the Near East College association, which has headquarters in Rockefeller Center, New York.

Istanbul Woman's college is an endowed American institution.

Miss Roberts is spending her summer vacation with her parents, Mr. and Mrs. Herbert S. Roberts, at Merry Glenn, Lake Marie.

Retired Chicagoan Dies Suddenly at Fox Lake

Funeral services were held in Chicago for Walter Hermanowski, 71, retired Chicago factory watchman who died suddenly Sunday morning at the home of his son-in-law and daughter, Mr. and Mrs. Joseph Marshall, Fox Lake.

Hermanowski had arisen at 6:30 o'clock that morning, but complained of pains in his chest and returned to bed.

When his wife tried to arouse him at 9 o'clock she found that he was dead.

City Briefs

Alonzo Runyard is a patient at Burlington, Wis., Memorial hospital.

Mr. and Mrs. Harry Kihlstrom and daughter, Linda, Gowanda, N. Y., are spending this week with Mrs. Kihlstrom's parents, Mr. and Mrs. S. J. Handley, North Main street. The Handleys also have as their guest their granddaughter, Martha Handley, Chicago.

Mrs. Ada Verrier, Waukegan, who spent last week with her sister, Mrs. Clara Westlake, is the guest of Mrs. Bert Bown at Lake Marie this week. She will return to Mrs. Westlake's Saturday.

Mrs. Clara Willett had as guests during the week-end Mr. and Mrs. W. Baxter of Downers Grove. Mrs. Baxter is Mrs. Willett's sister.

Changes in Antioch Township Assessment Printed This Week

The assessment roll for the Town of Antioch, as fixed by the assessor, appears on page three of this issue of the Antioch News.

This list includes the personal property tax complete and the changes in real estate made since the last published valuation. The complete assessment roll for Antioch township is published quadrennially. The complete roll was published last year. This year's list includes only those properties on which changes were made.

Any property owner who objects to the amount of his valuation may file a formal complaint with the Board of Review within 10 days from the date of publication of this assessment roll. It is announced by County Treasurer Gustaf H. Fredbeck.

Lt. E. R. Burleigh, U. S. Marine Corps, Killed in Action

The many Antioch friends of the Robert-Burleigh family, Ingleside, were shocked to learn early this week of the reported death of First Lieutenant Edward R. Burleigh, U. S. Marine corps reserve, in action in the South Pacific.

Lt. Burleigh, who was 23, was a participant in the battle of Tarawa, after which he was sent to Hawaii for rest, later returning to active duty.

His father, who is fire chief at Fox Lake, has been a frequent visitor to Antioch, and Lt. Burleigh was also well known here.

In a letter written to his parents May 31, Lt. Burleigh observed, "I'm certain that I'll get off the ship this time, as we are with the assault regiment, and no doubt will get there in the thick of it."

He was a graduate of Grant Community High school and Marquette university, where he majored in chemistry, and was in the employ of Johns-Manville company prior to enlisting two years ago.

A sister, Mrs. Margaret Scheune-man, lives at Fox Lake. His maternal grandfather, Henry Purvey, is a resident of Crystal Lake and his paternal grandparents, Mr. and Mrs. Charles Burleigh, live in Woodstock.

Firemen, Rescue Squad Guests at Pregenzer's

Thirty-two members of the Antioch fire department and Rescue squad were guests at a sauerkraut and spareribs supper Tuesday evening at the Pregenzer resort, Grass Lake.

The supper was given by Mr. and Mrs. Ray Pregenzer and their son-in-law and daughter, Mr. and Mrs. Louis Pichen, in appreciation for the work of the firemen and first aid men in extinguishing a fire which badly damaged the hotel building at the resort June 12 and endeavoring to save an employee there who had been overcome by smoke.

Rescue Squad to Sponsor Benefit Dance August 17

Each summer the Antioch Rescue squad has followed the custom of sponsoring a large public dance, proceeds of which are used for meeting the squad's operational expenses.

This year, the organization has announced Thursday evening, Aug. 17, as the date for the event.

The dance will be held in the Channel Lake pavilion, which was also the scene of last year's dance.

Veteran Butcher Loses Finger of Left Hand

Otto Dolar, of the Antioch Packing House's downtown market, had the misfortune to sever the middle finger of his left hand near the second joint while cutting meat at the market Wednesday afternoon. He was given first aid treatment by the Rescue squad and taken to a physician, where it was discovered that the finger could not be saved and it was found necessary to finish the almost complete amputation.

"It's the first time I've cut myself in all the years I've been working," was the observation made by the veteran butcher. A frozen spot in the meat which deflected the blade as he was cutting some spareribs is believed to have caused the accident.

C. J. Roeselein is assisting in the store during his absence today.

Millburn Church Plans Homecoming Sunday, July 30

All-Day Observance of 105-Year-Old Parish to Feature Services, Dinner

Members of the Millburn Congregational church, which celebrated its centennial anniversary in 1940, are continuing plans for a "homecoming" observance on Sunday, July 30.

In addition to special services, there will be a pot luck dinner at noon.

The afternoon is to be devoted to the renewing of old acquaintanceships.

A display of historical records, articles and pictures connected with the church will be a feature of the "homecoming," the Rev. L. H. Messersmith, pastor, announces.

Many Visitors Expected

The present church building was moved from Oak Park, Ill., where it had previously served the Third Congregational parish, in 1936 to replace the earlier Millburn church building destroyed by fire in 1935.

Many former residents of the community are planning to return for the homecoming. Among those who are expected to be present is the Rev. Norman Rice, pastor from 1923-25.

Mrs. Emma White, Russell, Follows Husband in Death

Former Bristol Woman Succumbs to Brief Illness 4 Mos. after Mate Dies

A large gathering of relatives and friends paid final respects to Mrs. Emma White at funeral services held in the old White family homestead on State Line road, Bristol township, Kenosha county, Monday afternoon at 2 o'clock.

The Rev. Fred E. Frankson, D. D. pastor of the First Methodist church of Kenosha, officiated. Burial was in Union cemetery at Hickory.

Mrs. White, who had been ill for a short time, died Saturday morning at the home of a daughter, Mrs. William Murrie, Russell. She was preceded in death by her husband, John White, who died Feb. 27, also at the Murrie home in Russell. A daughter, Thelma, passed away in 1924.

Had Seven Children

In addition to Mrs. Murrie, survivors include three other daughters, Mrs. Mildred Munro and Mrs. Hazel Ryan, Chicago, and Mrs. Agnes Dible, Kenosha; three sons, Clarence J., of Tempe, Ariz., who was here for the funeral services; William, residing on the homestead, and Hubert, of Russell.

There are 14 grandchildren, including Corp. John White, U. S. Marine corps, who arrived home July 6 after 20 months of service in the southwest Pacific area, including Guadalcanal, and will be here until Aug. 1.

Two sisters survive, Mrs. Ida King, of Chicago and Mrs. Gus Lantz, Woodworth, Wis.

She was born in Racine county, Wis., May 16, 1876, and was the daughter of the late Mr. and Mrs. Hans Johnson.

On May 18, 1895, she was united in marriage with John White of Newport township, Lake county, and they moved to the farm on State Line road where they spent most of their lives.

Bond Purchases Are Continued to July 31

The Fifth War Bond campaign for purchases of E, F, G, and C bonds has been extended until July 31, it was announced this week by Township Bond Drive Chairman Otto S. Klass.

"I am confident that Antioch's quota of \$89,600.00 has already been met and exceeded," said Chairman Klass. "I believe purchases in this township at the present time are already 'over the top,' and amount to nearly \$91,000.

"However, we would like to make as good a showing as possible, and hope that all who can do so purchase bonds before the end of the month, so that they may be credited to Antioch's quota."

Big Four-Day Fete Gets Off To Fine Start

Rides, Free Dancing Special Features Provide Fun at Festival

Supplemented by fine weather and ample parking space, the varied program of attractions featured by the Antioch American Legion post's annual carnival is expected to be off to a "flying start" this evening.

Workmen have been busy since earlier in the week setting up the rides, a floor for free outdoor dancing, booths for special entertainment and refreshments and other facilities on the grounds just west of the village park at Orchard and Main streets.

All indications were that a large crowd, including many summer residents and out-of-town visitors, might be expected this evening. Good attendances are also anticipated on Friday, Saturday and Sunday.

Look for "Surprise Features"

Rumors that members of the Antioch Rescue squad might challenge the fire department to a water fight as a highlight of the carnival sometime during the week-end were adding zest today to plans for the affair. Other surprise features may also provide highlights for the program.

Proceeds of the annual festival are used by the Legion and Auxiliary for their welfare and social service work on behalf of servicemen, hospitalized or invalided veterans and their families, and for the Legion's post-war building fund, which is being invested in war bonds for the duration.

Members of the auxiliary, the Sons of the Legion and townspeople are assisting the committees in charge of the festival.

The Rescue squad will "stand by" to give emergency first aid.

A parking detail has been set up to direct traffic in the parking grounds adjoining the carnival.

Reception Honors Pastor of Salem Church and Bride

The Rev. Stanford Strosahl, pastor of the Salem and Wilmet Methodist churches, and his bride, the former Miss Phyllis Hinke of Stanley, Wis., were honored at a reception held in the Salem church parlors Sunday evening with 100 parish members and friends attending.

Rev. and Mrs. Strosahl returned from their honeymoon trip Friday evening. They will make their home in Salem for the summer. In the fall Rev. Strosahl will continue his studies at Garrett Biblical institute, Evanston, which he attended for the past two years.

A mock wedding skit originally written by Olive M. Hope when she was worthy matron of the Bristol Eastern Star chapter was presented in revised version on this occasion.

Miss Hope acted as reader. A choir of 20 young people and Miss Ethel Gitzlaff, organist, presented special musical numbers.

The cast included the following: Ruth Feldkamp, sexton; Mary Baysinger, Marjorie Stoxen, ushers; Mrs. Forest Faivre, the wealthy uncle; George Beimer, Fred Stephens, former "girl friends" of the bridegroom; Leah Krahn, Florence Richards, Eleanor Imrie, former "boy friends" of the bride.

Mrs. George Beimer, bridegroom's father; Ernie Wiedman, bride's mother; Mrs. John Evans, preacher; Mrs. J. O. Boughton, bridegroom; Mrs. P. N. Sandin, best man; J. O. Boughton, Milward Bloss, flower girls; Elmer Barthel, ring bearer; Fred Baysinger, Lester Dix, bridesmaids; Arthur Cook, maid of honor; G. J. Nelson, bride; Mrs. H. W. Schultz, bride's father.

A message from Rev. Strosahl's mother, Mrs. John Strosahl of Central City, Ia., was read by Arthur Cook.

A gift was presented to the Strosahls and a "sweet course" served. An hour of community singing concluded the evening.

A grass fire at Lake Shangri-La brought a call for the Antioch fire department Tuesday afternoon at 4:45 p. m. There was no damage. Fire Chief L. R. Van Patten stated.

The States—United

These weeks are the season of the National Conventions, at which delegates representing all the great States assemble to choose party standard-bearers and platforms. They symbolize the workings of a democracy which Hitler sneered at and of which the Japs were contemptuous—to their everlasting disillusion and regret.

At each party conclave comes the roll-call of the States . . . "Alabama," "Arizona," on through "Indiana, Illinois" to "Washington, Wisconsin, Wyoming"—the proud list of the sovereign 48. They are the States United, for all their divergent political views, and the rolling roster of their very names resounds like thunder throughout the world.

They are the America which, fired by freedom and the determination to remain free, required no dictator or slave battalions to transform itself almost overnight into an arsenal of democracy, and then into a furious fighting force that is sweeping the tyrants before it.

Let no one here or abroad ever mistake the meaning of our democracy. . . Listen to the roll-call of the States which were born in freedom, which grew to strength and power in freedom, and which will ever unite to defend it!

Foundation of Our War Effort

It is refreshing to pick up a copy of Food Marketing, published by the First National Stores of Somerville, Massachusetts, and see pictures of blooming apple orchards, the packaging of eggs, flats of cabbage and

lettuce plants, and fruit trees being sprayed. It makes one realize that in spite of war and its destructive forces, they are being counteracted by the reproductive processes of the earth.

The war factory that makes a record in production is given tokens of recognition, but the "war effort" of all of them rests on what is done on the land and in the stores to produce and distribute food. If the food production industry used the tactics employed by some labor and political leaders to accomplish their ends, the war effort would collapse.

The record of production and distribution of food, as shown in Food Marketing, impresses one with the fact that every war activity depends on the land. We would be helpless if American farm production and distribution ever faltered. But the trees bloom, the soil produces, the farmers work and the stores distribute, in spite of every handicap placed upon them.

Quotes of the Week

First Communist: "Nice weather we're having."
Second Communist (grudgingly): "Yes, but the rich are having it, too."—Wichita, Kansas, Democrat.

"Don't be a dope. It's the feminine of OK."—A Russian in answer to "what is okie-dokie?"

"You hope to get a job after the war? Then you must think in terms of a world in which good jobs will be available."—Major George Fielding Elliot.

"Today we can say to our enemies: The day of wrath has really begun."—Gen. H. H. Arnold, Army Air Forces chief.

"American industry will provide in postwar years improved transportation, more economical power, more comfortable and improved homes, better sanitation and other healthful provisions."—H. C. Beaver, pres., Worthington Pump & Machinery Corp.

"American machines of war and American food have contributed to the success of the Red Army."—Joseph Stalin.

MILLBURN

Vacation Bible school will start at Millburn church July 24 and continue for two weeks. Classes will begin at 8:30 and close at 11 o'clock each day, Monday through Friday. All children in the community of grade school age and younger are welcome.

Twenty-six young people attended the monthly business meeting of the Christian Endeavor society at the home of Carol Ruth Upton Friday evening.

A group of young people with Rev. and Mrs. Messersmith attended a picnic of Congregational Young People of Lake County at Gages Lake Sunday afternoon and evening.

Millburn Unit of Home Bureau with the Millburn Maidens' 4-H club as guests will meet at the home of Mrs. O. L. Hollenbeck on Friday afternoon, July 14.

Mr. and Mrs. Larry Bannon and daughters of Attica, Ind., were overnight guests at the Harley Clark home on Wednesday.

THE OLD JUDGE SAYS...

"Judge, I've had a lot of calls for that book you took out last week. Tell the Boys Back Home! How did you like it?"

"Fine, Sarah, fine. . . it's just the kind of book I like to get hold of. . . I enjoyed every word of it. Wish I could have been along with the author myself. . . actually living with the men right on the fighting fronts. He got mighty close to them and they certainly opened up their minds and their hearts to him."

"There were lots of new things in the book I hadn't seen in any other reports from front-line writers. But there was one question the men asked the author that I have seen time and time again in these stories. That was 'Are you going to put prohibition over on us soldiers again. . . and without getting our vote?'"

"I noticed that, too, Judge, and I think the least we can do for those fighting men who are doing so much for us is to respect their wishes on that subject."

Canning Crimes (IN RIMES)

Food should be washed clean

Oh send an orchid to Emma J. Thistle
Who washes vegetables clean as a whistle
But fie on the canner so inept
Who cans the vegetable and the dirt.

Avoid unnecessary delays—work rapidly

Bottleneck Bertha is all atremble
Her canning equipment she didn't assemble
She must wash jars that she forgot
While all her foodstuffs stand and rot.

Prepare correct amount of food

Miss Annie Ample so I was told
Prepared more food than her house'd hold
Since she was such a canning fool
She's forced to live in her vestibule.

Follow time chart faithfully

Gabbie Gertie all saucer-eyed
Forgets to consult her canning guide
You can find out later who's convalescing
So hang up, Gert, your canner's processing.

Store jars in proper place

Though an expert canner, Miss Lulu Belle Boyce
Took no heed of good storage advice
But chose her attic like a stubborn mule
(A good storage place should be dry, dark and cool.)

Make sure that jars are sealed

Good Mrs. Bustle who canned with great zeal
Hit the all time high for imperfect jar seal
With tears in her eyes, clothespin on her nose
Out to the garbage with canning she goes.

YOU AREN'T A BOTTLENECK BERTHA, OF COURSE...

But did any of your home-canned food spoil last year? If so, try for a perfect score this war year. Save next winter's food now by destroying bacteria and other invisible stowaways that cause food spoilage. Read the article "How To Avoid Spoilage" in the 1944 CANNING GUIDE available to you at your Public Service store. This 32-page illustrated booklet also contains a jar cap guide, a story on "51 Ways to Serve Your Home-canned Foods," and much other useful information.

SOCIETY EVENTS

JOSEPH SHEAHAN TO WED CHICAGO GIRL SATURDAY

Joseph Sheahan, son of Mr. and Mrs. Dan Sheahan, Bristol, and Miss Mary Jane Robinson, Chicago, have announced Saturday, July 15, as the date of their wedding, which will take place at 10 a. m. in St. Lucy's church, Chicago. A wedding breakfast is to be served in Berwyn.

They plan to make their home in the old Van Patten home on Lake street, which they recently purchased of Herman Cubbon.

The bridegroom is a partner in the Sheahan Implement company here.

GREAT LAKES VISIT REVIVES OLD MEMORIES

Mr. and Mrs. C. L. Heath and son Don, Mr. and Mrs. Robert Schramm and Mrs. Marvin Heath and son David visited Marvin Heath at Great Lakes where he is in "boot" training, Sunday.

The visit brought back memories of World War I to C. L. Heath, he observed, as the present Recreation center is located on the site where he was stationed for eight months during the earlier war.

VAN PATTEN FAMILY HAS OUTING AT CROSS LAKE

Members of the Van Patten family held an afternoon and evening outing at the home of Mrs. Carl Nadr, Cross Lake, the former Mildred Van Patten, Sunday.

Those present included Mr. and Mrs. L. R. Van Patten, Mrs. Laurel Van Patten and three children; Mr. and Mrs. Marvin Van Patten and son; Mr. and Mrs. L. R. Van Patten, Jr., and two daughters.

Marvin Van Patten has been home on a visit from Camp Forrest, Tullahoma, Tenn., where he has been serving as yard master for the rail head.

Pvt. Laurel Van Patten, who is at Camp Shelby, Miss., was the only member of the immediate family who was unable to be present.

ATTEND SUMMER CLASSES AT NORTHWESTERN UNIV.

Eileen Osmond Levin, Antioch; Mary Ruth Cremin and Ruth Hall Simonds, Lake Villa, are among the students enrolled at Northwestern university, Evanston, for the 1944 summer session.

Mr. and Mrs. Dan S. Boyer have as their houseguest this summer their daughter-in-law, Mrs. Richard G. Boyer, New York, N. Y.

Richard Boyer is now in France with the U. S. Invasion forces as a war correspondent for the Office of War Information. An experienced newspaper man formerly connected with the Associated Press, Boyer was called upon several months ago to assist in the OWI work and was assigned to the army's overseas forces.

His wife is a New York fashion model who has posed for style pictures in Life, Saturday Evening Post, Look and other national magazines.

RAINBOW GIRLS ARE ATTENDING GRAND ASSEMBLY

Theodora Hennings, Dorothy Aronson, Alice Fox, Mabel Lou Hunter, Phyllis Palmer, Frances Zimmerman, and Dorothea Nevitt are representing Antioch Assembly No. 23, Order of Rainbow for Girls, at the Annual Grand Assembly, which is being held at the Medinah club, Chicago, on July 13, 14, 15 and 16. These girls will be present for the entire session, while Mrs. Martha Hunter, Mother Adviser, will accompany several other girls to Chicago Friday, to attend for the day.

Dorothy Aronson is Grand Confidential Observer, and Mabel Lou Hunter will act as a Grand Page.

Card of Thanks
We wish to express our appreciation for the many acts of kindness and expressions of sympathy extended by neighbors and friends during the illness and death of our mother. The White family.

Birth
Mr. and Mrs. Arthur Maleck are the parents of a daughter, born at Victory Memorial hospital July 9. Mrs. Maleck before her marriage was Alvera Barth.

Mrs. Barney Trieger of Antioch and Mr. and Mrs. Dan E. Nugent and children, Eugene Bernard and Marjory of Norwood Park are spending several weeks at Grafton, Ill.

LAKE VILLA

Lake Villa Community Church
Methodist-Rev. John DeVries, Pastor
Church School—10 A. M.
Worship Service—11 A. M.

Sermon topic to be used by Rev. DeVries for worship service next Sunday morning at 11 o'clock is "Fighting Against the Stars," the second in a series taken from short stories from the Bible. A cordial invitation is given to summer visitors in our community.

The Woman's Society of Christian Service will hold its quarterly pot luck birthday dinner next Wednesday, July 19 at noon to celebrate the April, May and June birthdays of members and friends. The meeting is at Mrs. McGlashan's home and Mrs. Pedersen and Mrs. Boehm will assist. Visitors are welcome. The business meeting will follow the dinner.

Rev. and Mrs. DeVries entertained the members of the church board at a dinner at their home Wednesday evening. The business meeting was held and plans made for the coming church year to include the budget, church family gatherings, World Service, improvements and all matters concerning the church.

School time will soon be here again, and the school board has engaged Mrs. Charlotte Atkinson of Antioch as principal and teacher of upper grades and Miss Ruby Falch as primary teacher. Miss Falch needs no introduction as she has been here for a number of years, and Mrs. Atkinson holds a B. S. degree from University of Illinois and comes very highly recommended.

Mr. and Mrs. George Pollard returned last week from a pleasant week at Tomahawk, Wis., where they enjoyed the fine fishing.

Mr. and Mrs. Henry Cable held a pleasant family gathering at their home last Sunday in honor of S/Sgt. and Mrs. Orville E. Hawkins of Camp Robinson, Ark., who are spending a 16 day furlough here with relatives. Mr. and Mrs. Ernest Olson, Donna, Cary and Harvey, Mr. and Mrs. Rollo Grutzmacher and Lyle, all of Chicago, Mr. and Mrs. Fred Rickert, Freddie and Marie of Grayslake, Mr. and Mrs. Charles Runyard and Mrs. Russell Longman of Trevor, Wis., Mr. and Mrs. William Runyard of Antioch.

News of the Boys...

(continued from page 1)

American base in Russia. Operating from the Soviet Union, the American Fortresses and their Mustang fighter escort attacked an airfield near Galatz, Roumania. On June 11 they attacked the airfield at Focani, near Budapest, on their return to Italy.

Even more important than the three successful missions was the close understanding between the two allied nations made possible by the co-ordinated operations in Russia when typical Americans met and worked with typical Russians. Pilots compared tactical notes and discussed performances of airplanes, ground crews exchanged servicing suggestions, while Lt. General Ira C. Eaker, Commanding General of the Mediterranean Allied Air Force, and other AAF officials met with officers of the Russian Air Force.

Another Anderson, Pvt. Cecil L. APO 716, San Francisco, is heard from. He starts out—

"Dear Ed—I just received a couple of copies of the News. While reading it, I want to say, as usual, I noticed a mention of T/5 Robert Allen. I'm sure surprised to hear he's from Antioch. I've seen him in shows here in the division many times and laughed at his jokes, but never met him to date. I'm still here and the next time I see him I'm going to get acquainted. Small world!

"I ran into Jimmy Johnson and Jack Pike of Fox Lake here recently. We had a regular clam bake—no clams.

"I'm pretty busy now repairing radios. I finally got out of the Grease-Ball line. Any trade's better than none in the army, though.

"We had a treat recently—fresh potatoes—fresh eggs also!—and some real green vegetables (not canned.) "I'm glad to see you published the facts about the Americal Div. It's a famous outfit over here."

(Ed. Note: The article to which Pvt. Anderson refers is one received from the public relations staff of Americal—American and Caledonian—announcing that Allen had been awarded the Combat Infantryman badge.)

Donald J. Wilton, F 2/c, writes from Little Creek, Va., to say that he has received his first copy of the News there.

Wanted—the correct addresses of Pvt. Harold P. Christensen, Eugene V. McManus.

Frank Joseph Wiczorek, MM 2/c, formerly at Mare Island, Calif., has been assigned a San Francisco fleet post office address.

A notice correcting the address of Ens. Everett A. Girtler, New York Fleet post office, has been received.

Paul Nielsen, F 1/c, has been transferred from Bemerton, Wash., to the San Francisco fleet post office list.

George Hull, A/S, has been transferred from Great Lakes to the Naval Air station at Norman, Okla.

Pvt. Donald Hutchison, formerly at Camp Shelby, Miss., is now at Aberdeen, Md.

Pvt. Donald Gibbs, U. S. Marine corps, San Diego, Calif., has been rated an expert marksman, ranking fifth in his platoon, according to word received here.

"Just a line to let you know, that I have a new address again. It has been hard to keep up with me since I got back to the States, as I've been moving around a lot. I just got back to camp after spending about two weeks at Lake Villa—and I did enjoy that! Thanks again for the paper."

—Carl O. Gilbert, CM 1/c, Port Huene, Calif.

Pfc. Joseph H. McGinnis, U. S. Marine corps, was wounded in action June 28, and is now a patient in a navy hospital, according to word received by his mother, Mrs. William Walsmith, Petite Lake.

Visitors to the Antioch News office Wednesday afternoon were Pvt. LeRoy E. Panzer and Pvt. Keith McGee, Truax field, Madison, Wis., and Ernest Turnpaugh, at whose home they were guests for the day. Turnpaugh received a discharge from the service a year ago in June after 25 months in the signal corps, at Camp Forrest, Tenn., and on the west coast.

Pvt. Richard L. Prince, Drew Field, Tampa, Fla., admits—

"I seem to be a pretty hard fellow to keep in one place. I have been jumping from one place to another, but I expect to be stationed here long enough to catch my breath.

"I was made crew chief on a B-17 a week ago Friday and like my new work very much.

"The Antioch News has kept up with me pretty well, and I am sure grateful to the Antioch American Legion post for its part in seeing we get the news from home, as well as hearing from our friends all over the world."

"I have been receiving the Antioch News at Sheppard field pretty regularly. I am now transferred to a new field," writes Pvt. F. C. Derler, of Truax field, Madison, Wis., "and would like it very much if I could get

the paper here.

"I enjoy it very much, and read everything from the front page to the want ads."

(Ed. Note: We've been trying to figure out just what it is about the want ads that intrigues all the fellows in service so much. Must be all our advertisers are showing unexpected literary talent.)

"I am going to radio-radar school here. I think the camp is o. k. from what I've seen so far. It sure is like heaven compared to Sheppard field. Here we have good water, good food, and that's what really counts.

"The last week I was at Sheppard field I met Leonard Roblin. Boy, it sure was good to talk to some one from near home.

"I'll close now, and thanks a lot for sending the paper. I can imagine how the boys overseas appreciate it according to how much I enjoy it."

Revelation that an error had been made in transmission of a message brought joy to Mrs. Alvin Paddock, Salem, who believed that her son,

Willis G. Freeman, S 1/c had died. An investigation by the Red Cross revealed that he is a patient in a hospital in England, where he will be confined by his injuries for the next two months.

Harmon S. Garwood, PhM 3/c, USN-ABD-MTA, Sick Bay, Port Huene, Calif., waits all day in vain for victims at the rifle range, and writes a letter to his editor—

"This is a letter I've been writing for about six months, but kept putting it off for no reason at all. The Navy has just made me lazy, I guess.

"I just came in from rifle range, where I am usually all day. I sit around and wait for someone to shoot himself, so I can patch him up. That very seldom happens, so I just sit around all day.

"It is 2:30 p. m. here now. I believe that's 4:30 in Antioch. Sure wish I were there now. You nor anyone else will ever know how glad a fellow is to receive that little old paper. I read every page, even the want ads, figuring I may see some-

one's name whom I know, and I often find some, too.

"I always read the 'Boys in Service' column first, as I know 'most every fellow in Antioch, and I like to see what they're doing and where they are. I receive the paper every Monday morning. I see by last week's that Morris Verkest is at Camp Haan, which is at San Diego. I'm not very far from San Diego, and I would like very much to see him. I haven't seen him since he came into the service, and if you could send me his address I would appreciate it very much.

"I must close for now and shine the deck for tomorrow's inspection.

... Hope to get a leave around Christmas."

THE Fifth War Bond Drive is over—but the Invasion is not!

Actually, the war right now is at its most critical stage—which is just why our men need *your* support as never before, why they need you to help pay for the mass of materials of all kinds that will bring crushing defeat to our enemies that much sooner!

Of course, you have just done your part in the Fifth War Loan

Drive—but they have done theirs in many a grim, bloody battle and *they* aren't resting on what they've done before! They are carrying the fight to the enemy wherever they can reach him, every day—and your dollars are needed every day, too!

Surely you won't stop buying—won't let up now—when the chips are down!

KEEP ON BACKING THE ATTACK!

5 MORE REASONS for Keeping Up Your Bond Buying

1. War Bonds are the best, the safest investment in the world!
2. War Bonds return you \$4 for every \$3 in 10 years.
3. War Bonds help keep prices down.
4. War Bonds will help win the Peace by increasing purchasing power after the war.
5. War Bonds mean education for your children, security for you, funds for retirement.

GOP FORESEES VICTORY WITH DEWEY-BRICKER

Republicans Unite Solidly
Behind Governors' Ticket
For Presidential Race.

By GEORGE A. BARCLAY
AMID scenes of harmony and enthusiasm that proclaimed to the nation the Republican party's unity of purpose, Gov. Thomas E. Dewey of New York was chosen the party's wartime nominee for the presidency at the national convention in Chicago.

The delegates, whose nominating intentions had been apparent long before they assembled in Chicago, picked the 42-year-old governor by a 1056-to-1 vote. Then they made it an all-governor, East-Middle West ticket by choosing Ohio's John W. Bricker for the vice-presidential nomination. A single Wisconsin delegate, Grant Ritter, farmer of Beloit, had cast a single ballot for Gen. Douglas MacArthur for the presidency. Governor Bricker was nominated unanimously.

Wendell L. Willkie, Republican standard-bearer in 1940, was quick to congratulate Governor Dewey. "You have one of the great opportunities of history," he told the nominee in a message sent from New York City.

Flies to Chicago.

As Franklin D. Roosevelt did in 1932, Governor Dewey flew to Chicago from Albany, New York, to deliver in person his acceptance speech to the delegates. Vast crowds surged around the Chicago Stadium halled the nominee when he arrived from the airport. Inside the convention hall he was given a triumphant ovation that ended only when Congressman Joseph W. Martin Jr. of Massachusetts, house minority leader and permanent chairman of the convention, succeeded in gaveling silence.

Governor Dewey's speech was forthright and direct. It was received with rousing cheers by the delegates and the 25,000 citizens who thronged the convention hall to the rafters.

The nominee accepted his great new honor with a pledge to "end one-man government in America," crush Germany and Japan's will to make war and devote himself to "rewinning freedom" at home.

The New Deal administration, he told the delegates, has grown "old and tired and quarrelsome in office" and is unequal to the great, pressing problems of war and peace.

Keep High Command.

Declaring that the military conduct of the war "must remain completely out of politics," Governor Dewey said he wanted to make it "crystal clear" that any change in administration would not involve changes in the high command. Gen. George C. Marshall, chief of staff, and Adm. Ernest J. King, commander-in-chief of the U. S. fleet, are doing a "superb job," he declared and should retain their present position and responsibilities.

Governor Dewey made known unmistakably that he will stand squarely on his party's foreign declaration and brook no postwar international plan that contemplates a super-state. He did envision, however, American participation with other sovereign nations in a co-operative effort to prevent future wars.

He pledged that he will make full employment a first objective of national policy. He declared the New Deal had never had an employment policy and finally got people to work only after the country had entered the war.

High interest had centered in the platform-building job on which the drafting committee headed by Senator Robert A. Taft of Ohio had toiled. Special attention was focused on the controversial foreign policy plank which had offered the only issue capable of producing a rousing inter-party battle.

The result, however, was a compromise—a middle-of-the-road statement calculated to conciliate internationalist and pro-nationalist elements in the party at the same time. This foreign policy plank favors American participation in postwar security measures through "organized international cooperation," but shuns membership in a World State.

In sessions of the platform committee preceding the presentation of its report, the governors of 15 states had sought to have more positive and binding commitments on post-

Highlights

ROMANCE: Mr. and Mrs. Thomas Dewey became acquainted in Chicago in 1923, when Mrs. Dewey, the former Frances Hutt of Sherman, Texas, and Dewey were both music students at a summer course. Five years later when both had gone to New York for further study they were married. Mr. Dewey was practicing law at the time, and Miss Hutt was singing the lead in a musical comedy.

war international collaboration included. Their views had the vigorous support of Wendell Willkie. But the prospects of any convention-floor battle quickly faded when the delegates shouted their acceptance of the platform without any audible dissent.

Hall Dewey Leadership.

The convention's action on foreign policy as well as on other planks in the platform confirmed the view that the Republican party will look to Governor Dewey for decisive leadership. For the delegates left to the nominee the responsibility for interpreting the platform and translating its planks into a definite program.

The platform's statements urging safeguards for the intrenchment and expansion of American farming, industry, commerce and labor were expressions of traditional Republican doctrine.

The farm plank, for instance, recommended what it calls an "American market price" as opposed to subsidies, at the same time leaving the door open for aid from the government when and as needed. It promises the American farmer abundant production of food and fiber crops. It proclaims the need of guaranteeing farmers "freedom from regimentation and confusing government manipulation and control of farm programs."

Realistically enough, the farm plank gives heed to the fact that new surpluses might develop in the postwar world, with markets declining, and it endorses the principle of crop adjustment only in times when surpluses to be dealt with are judged to have become abnormal and to have exceeded "manageable proportions."

Domestic Objectives.

In the field of domestic policy, the platform enunciates a number of objectives. These include "taking the government out of competition with private industry" and promotion of fullest employment through private enterprise.

The platform pledges full support in restoring small business to a profitable basis by elimination of "excessive and repressive regulations and government competition."

Decentralization of government controls, return to constitutional government, abolition of "wasteful government spending," protection of the rights of "free American labor" — of which the party proclaims itself the "historical champion" — all are given their place in the program which the Republican party seeks to effectuate.

The labor plank is paced by a vigorous denunciation of the New Deal administration of labor laws.

Gov. Warren's Keynote Address.

Governor Warren's keynote address was a vigorous performance. He listed these objectives of the party:

"To get the boys back home again — victorious and with all speed.
"To open the door for all Americans — to open, not just to jobs, but to opportunity.

"To make and guard the peace so wisely and so well that this time will be the last time that American homes are called on to give their sons and daughters to the agony and tragedy of war."

Elaborating on the principle of providing jobs as well as opportunity, Governor Warren declared that the formula lay in stimulating production to full blast, in a climate favorable to free enterprise.

After accepting the permanent convention chairmanship, Representative Martin ripped into the New Deal ideology, which, he said, "... lives upon vast streams of government debt, and taking its shapes and destinies from the directives of a bureaucratic elite under the command of a self-inspired leader."

"The first thing the Republican party will do when it comes into power will be to restore to congress its responsibility and function as the people's special instrument of control over their government," Martin said.

Herbert Hoover Speaks.

As the party's elder statesman versed in international affairs because of his experience as Allied food administrator during the first

GOV. JOHN W. BRICKER

World War, Herbert Hoover took up the question of foreign policy, saying:

"It is obvious from the rise of nationalism that ideas of world supergovernment, no matter how idealistic, are already dead. . . . Peace must be based upon cooperation between independent, sovereign nations."

Speaks for Women.

Speaking for the women, Rep. Clare Boothe Luce of Connecticut raised the question of the U. S. doughboy's wants in the future.

"G. I. Joe wants his country to be secure, from here out," she declared.

"If Jim could stand here and talk to you, he'd say:
"Listen, folks, the past wasn't per-

Highlights

ROMANCE: Mr. and Mrs. Thomas Dewey became acquainted in Chicago in 1923, when Mrs. Dewey, the former Frances Hutt of Sherman, Texas, and Dewey were both music students at a summer course. Five years later when both had gone to New York for further study they were married. Mr. Dewey was practicing law at the time, and Miss Hutt was singing the lead in a musical comedy.

Cigarette Money

A pack of American-made cigarettes is a gold mine to marines stationed on one island outpost. For a single cigarette, natives will climb the tallest coconut tree and hack down as many coconuts as desired—or the whole tree.

Attention! All Home Canners!

Before you begin your 1944 canning. Good Housekeeping Magazine advises you: use the boiling-water bath method for tomatoes and fruits, only. Can all vegetables except tomatoes by the correct use of a pressure cooker to be sure of killing botulinus germs. In the last few years, cases of botulinus food poisoning have cropped up in widely different parts of the country. Buy, borrow, share a pressure cooker—but don't can low-acid vegetables any other way. If you want further information, write Good Housekeeping Magazine, 959 Eighth Ave., New York 19, N. Y.
